steve.sokoloski@mansfieldct.org

Time: 7:00—8:30 PM

Date: Wednesday, November 2, 2011

Mansfield Middle School Auditorium

205 Spring Hill Rd.

Mansfield, CT 06268

As a law enforcement officer, Mr. Driscoll has taken part in numerous Internet crime investigations. Some of the crimes were undercover on-line investigations, possession and distribution of child pornography, on-line bullying and harassment, identity theft, enticement of minors and many others. Along with on-line investigations, Mr. Driscoll also has done forensic computer examinations for law enforcement agencies and instructs fellow law enforcement officials on how to use the Internet for investigations.
